**Latitude 33 Aviation is an industry-recognized expert in delivering professional full-service aircraft sales, acquisition, and acceptance programs while maintaining a customer service**

**record its clients can count on.**

**Managing one of the largest fleets of jet aircraft in the United States, our team has accumulated over 100,000 hours of flight experience. We operate and maintain aircraft on a daily basis, not just buy and sell them.**

**With decades of cumulative jet sales experience, Latitude 33 Aviation has completed aircraft sale and acquisition transactions approaching \$300 million.**

**Founded and run by current, professional pilots, Latitude 33 Aviation's leadership has the unique perspective of the private jet industry's pulse from the front lines, not from behind a desk. Our team of aircraft sales and acquisition experts gathers up-to-the-second market data, allowing us to make the best decisions for your investment.**
