Based in Carlsbad, CA

At Latitude 33 Aviation, we are driven by a passion for aviation and a commitment to exceeding client expectations.

Whether you are acquiring your first jet, expanding your fleet, or navigating the complexities of an aircraft sale, our team is equipped to guide you through every step of the process with professionalism, transparency, and personalized service.

By combining our operational expertise, market intelligence, and client-centric approach, Latitude 33 Aviation ensures that your aviation investments are not only successful but also aligned with your long-term goals.

Latitude 33 Aviation does not merely facilitate the buying and selling of aircraft; we actively operate and maintain our fleet on a daily basis, ensuring an intimate understanding of the aircraft we represent. This operational insight, combined with decades of cumulative experience in jet sales, has enabled us to successfully complete aircraft sale and acquisition transactions approaching a remarkable \$750 million in value. Each transaction is executed with precision, leveraging our extensive market knowledge and meticulous attention to detail to maximize value for our clients.
